

# Shaman Siddiqui

**CIVIL ENGINEER**

## Personal Profile

I'm a dependable operations manager with a strong drive and attention to detail. I lead by example and encourage teamwork thereby achieving project goals. I'm dedicated to creating, improving, and protecting the environment in which we live by using my civil engineering skills. I want to create long-lasting engineering solutions that will meet the needs of future generations, which is where the new subject "Emerging Trend" comes in, which helps to understand the serviceability and reliability of a building or structure that has been built.
